There is no question in my mind but what [REDACTED] is deserving of an award for the compilation of the [REDACTED]. However, the amount of the award recommended by his Branch Chief appears excessive to me without further justification. I would suggest that the item be placed on the next agenda of the Committee and that [REDACTED] Chief of the Industrial Register, OGD, be requested to appear before the Committee. Based on discussion with him, I think the Committee would then be in a position to establish an appropriate amount.
